## Preface

### Standards amended by AASB 2024-4

---

This Standard makes amendments to AASB 10 *Consolidated Financial Statements* (July 2015) and AASB 128 *Investments in Associates and Joint Ventures* (August 2015).

These amendments relate to International Financial Reporting Standard *Effective Date of Amendments to IFRS 10 and IAS 28*, issued by the International Accounting Standards Board (IASB) in December 2015.

### Main features of this Standard

---

#### Main requirements

This Standard defers the mandatory effective date (application date) of amendments to AASB 10 and AASB 128 that were originally made in AASB 2014-10 *Amendments to Australian Accounting Standards – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture* so that the amendments are required to be applied for annual reporting periods beginning on or after 1 January 2028 instead of 1 January 2025.

The amendments in AASB 2014-10 originally applied to annual reporting periods beginning on or after 1 January 2016, but were later deferred by the IASB indefinitely. Due to legal requirements, the AASB is unable to defer the amendments indefinitely, and instead deferred the amendments to apply to annual reporting periods beginning on or after 1 January 2018 through AASB 2015-10 *Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128*. The amendments were further deferred to apply to annual periods beginning on or after 1 January 2022 through AASB 2017-5 *Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections* and then again to annual reporting periods beginning on or after 1 January 2025 through AASB 2021-7 *Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections*.

As the IASB's amendments continue to be deferred indefinitely, this Standard further defers the amendments to annual reporting periods beginning on or after 1 January 2028. Consistent with the IASB's approach, the amendments can still be applied by an entity in advance of this new mandatory application date.

#### Application date

This Standard applies to annual periods beginning on or after 1 January 2025, being the date from which the amendments to AASB 10 and AASB 128 were previously to apply mandatorily. Earlier application is permitted.
