AASB RESEARCH FORUM

Connectivity of information

**CALL FOR EXPRESSION
OF INTEREST**

TOPICS

Researchers are encouraged to submit working papers or research proposals that are related to the connectivity of financial and non-financial information.

Some suggested topics are:

- Forward-looking information
- Intangible assets, including emerging assets such as digital assets.
- Management Commentary
- Sustainability reporting
- Digital corporate reporting
- Goodwill and impairment
- Financial instruments with characteristics of equity
- Provisions

Submissions addressing other matters not listed above will also be considered.

HOW TO SUBMIT EXPRESSION OF INTEREST

In your submission, please provide:

1. Paper title
2. Names of researchers, institutions they represent
3. Synopsis – please submit a maximum of 200 words on each of the following:
 - Research objectives, proposed research questions and methodology
 - Possible assistance from the AASB (if required)
 - The relevance of possible conclusions from the research to inform the AASB's standard setting activities and its strategic objectives.

**Expressions of Interest should be submitted by
Friday August 5, 2022 via
research@asb.gov.au**
